The Board of Directors proposes that the overall guidelines for an incentive programme for the Board of Directors and Executive Board be updated in accordance with the draft overall guidelines for an incentive programme for the Board of Directors and Executive Board appended hereto as appendix 9.1.

Re item 9.2 on the agenda - Amendment of the denomination of the shares (the articles of association's article 4)

The Board of Directors proposes that the denomination of A- and B-shares in the company be amended from DKK 2.50 each or multiples thereof to DKK 0.50 each or multiples thereof entailing that the Board of Directors may undertake a share split planned to be completed with effect as from the first trading day on NASDAQ Copenhagen in January 2018. As a part hereof the Board of Directors proposes that all general reproductions of the nominal share capital as number of shares are deleted from the articles of association. The proposal entails the following amendments of the articles of association:

The articles of association's article 4 is amended as follows:

"The Company's share capital is DKK 121,769,800, say [one hundred and twenty one million seven hundred and sixty nine thousand eight hundred] 00/100, divided into shares of DKK 0.50 each or multiples thereof."

The articles of association's article 6, 1st paragraph is amended as follows:

"Of the Company's share capital, DKK 17,160,000 are Class A shares and DKK 104,609,800 are Class B shares. Each Class A share of DKK 0.50 carries ten votes, and each Class B share of DKK 0.50 carries one vote at general meetings."

The articles of association's article 9c is amended as follows:

"The Board of Directors shall be authorised in the period until 1 December 2014 to increase the Company's share capital by issuing warrants in one or more stages to the employees of the Ambu group with a right to subscribe for up to a nominal amount of DKK 1,300,000 Class B shares, without any pre-emption rights for the Company's existing shareholders at a price to be determined by the Board of Directors. The Board of Directors shall at the same time be authorised to effect the resulting capital increase in one or more stages by up to a nominal amount of DKK 1,300,000 without any pre-emption rights for the Company's existing share-holders and to determine the terms of allotment and issuance as well as to fix the subscription period during which the warrants may be exercised. The Board of Directors may within the same period reissue warrants granted which have lapsed or expired."

At the board meeting on 13 November 2013, the Board of Directors decided to exercise a share of 100,000 warrants under the authorisation set out in Article 9c of the Articles of Association to issue 130,000 warrants (corresponding to 520,000 warrants of DKK 2.50 each or 2,600,000 warrants of DKK 0.50 each). Each warrant entitles the holder to subscribe for a nominal amount of DKK 10 Class B shares against a cash deposit of DKK 245.60. The authorisation set out in Article 9c has subsequently been reduced accordingly from 130,000 Class B shares to 30,000 (corresponding to a reduction from 520,000 to 120,000 warrants of DKK 2.50 each or from 2,600,000 to 600,000 warrants of DKK 0.50 each).

At the annual general meeting on 17 December 2014, the general meeting resolved to change the denomination of the Company's shares to the effect that each share of nominally DKK 10 is divided into four shares of nominally DKK 2.50 each, and at the annual general meeting on 13 December 2017 to the effect that each share of nominally DKK 2.50 is divided into shares of nominally DKK 0.50 or multiples thereof. As a result, the number of shares comprised by the authorisation in Article 9c is changed accordingly.

At the annual general meeting on 12 December 2013, the general meeting has resolved that the authorisation of article 9c cannot be exercised with respect to the unexercised part of the authorisation.

Moreover, the new Class B shares shall be subject to the same rules as the existing Class B shares of the Company. The shares shall be issued in the name of the holder, recorded in the name of the holder in the Company's Register of Shareholders and shall be negotiable instruments. The shares shall be subject to the same rules on pre-emption rights, voting rights and redeemability as the existing Class B shares. The new Class B shares shall confer on the shareholder a right to receive dividends and other rights and privileges in the Company as from the date of registration with the Danish Business Authority."

The articles of association's article 9d is amended as follows:

"The Board of Directors shall be authorised in the period until 11 December 2018 to issue warrants in one or more stages to employees of the Ambu group with a right to subscribe for up to a nominal amount of DKK 3,000,000 Class B shares, without any pre-emption rights for the Company's existing shareholders at a price to be determined by the Board of Directors, always provided, however, that the price may not be lower than the market price on the date of the resolution. The Board of Directors shall at the same time be authorised to effect the resulting capital increase in one or more stages by up to a nominal amount of DKK 3,000,000 without any pre-emption rights for the Company's existing shareholders and to determine the terms of allotment and issuance as well as to fix the subscription period during which the warrants may be exercised.

At the board meeting held in November 2014, the Board of Directors decided to exercise a share of 100,000 warrants (corresponding to 400,000 warrants of DKK 2.50 each or 2,000,000 warrants of DKK 0.50 each) under the authorisation set out in Article 9d of the Articles of Association to issue 300,000 warrants (corresponding to 1,200,000 warrants of DKK 2.50 each or 6,000,000 warrants of DKK 0.50 each) at a price corresponding to the average of the closing price of the company's Class B share at NASDAQ Copenhagen for the period 13 to 19 November 2014 plus 8%. The authorisation set out in Article 9d has subsequently been reduced accordingly from 300,000 warrants to 200,000 (corresponding to a reduction from 1,200,000 to 800,000 warrants of DKK 2.50 each or from 6,000,000 to 4,000,000 warrants of DKK 0.50 each).

At the board meeting held in November 2015, the Board of Directors decided to exercise a share of 154,000 warrants of DKK 2.50 each (corresponding to 770,000 warrants of DKK 0.50 each) under the authorisation set out in Article 9d of the Articles of Association to issue up to a nominal amount of 3,000,000 warrants (corresponding to 1,200,000 warrants of DKK 2.50 each or 6,000,000 warrants of DKK 0.50 each) at a price corresponding to the average of the closing price of the company's Class B share at NASDAQ Copenhagen for the period from 1 October 2015 and the following four trading days plus 8%. As a result of this and previous allocations, the authorisation has been reduced to 646,000 warrants of DKK 2.50 each or 3,230,000 warrants of DKK 0.50 each.

At the board meeting held in November 2016, the Board of Directors decided to exercise a share of 82,900 warrants of DKK 2.50 each (corresponding to 414,500 warrants of DKK 0.50 each) under the authorisation set out in Article 9d of the Articles of Association to issue up to a nominal amount of 3,000,000 warrants (corresponding to 1,200,000 warrants of DKK 2.50 each or 6,000,000 warrants of DKK 0.50 each) at a price corresponding to the average of the closing price of the company's Class B share at NASDAQ Copenhagen for the period from 3 October 2016 and the following four trading days plus 8%. As a result of this and previous allocations, the authorisation has been reduced to 563,100 warrants of DKK 2.50 each or 2,815,500 warrants of DKK 0.50 each.

At the annual general meeting on 17 December 2014, the general meeting resolved to change the denomination of the Company's shares to the effect that each share of nominally DKK 10 is divided into four shares of nominally DKK 2.50 each, and at the annual general meeting on 13 December 2017 to the effect that each share of nominally DKK 2.50 is divided into shares of nominally DKK 0.50 or multiples thereof. As a result, the number of shares comprised by the authorisation in Article 9d is changed accordingly.

Moreover, the new Class B shares shall be subject to the same rules as the existing Class B shares of the Company. The shares shall be issued in the name of the holder, recorded in the name of the holder in the Company's Register of Shareholders and shall be negotiable instruments. The shares shall be subject to the same rules on pre-emption rights, voting rights and redeemability as the existing Class B shares. The new Class B shares shall confer on the shareholder a right to receive dividends and other rights and privileges in the Company as from the date of registration with the Danish Business Authority."

The articles of association's article 15 is amended as follows:

"At general meetings, each Class A share of DKK 0.50 carries ten votes, and each Class B share of DKK 0.50 carries one vote."

Re item 9.3 - Renewal of the Board of Directors' authorisation to increase the B-share capital (the articles of association's article 9e)

As the existing authorisation stipulated in the articles of association's article 9e is effective only until 1 December 2017 it is proposed to issue a new authorisation to the Board of Directors to increase the B-share capital with and without pre-emption rights entailing that the articles of association's article 9e is amended as follows:

"Until 12 December 2022, the Board of Directors shall be authorised to increase the Company's share capital in one or more issues by up to a total nominal amount of DKK 12,176,980 Class B shares. Capital increases must be paid up in cash and with a pre-emption right for the company's existing holders of Class A and Class B shares at a price determined by the board of directors.

Until 12 December 2022, the Board of Directors shall be authorised to increase the Company's share capital in one or more issues by up to a total nominal amount of DKK 12,176,980 Class B shares. Capital increases may be paid up in cash, assets other than cash (contribution in kind) or through the conversion of debt or a combination thereof. Capital increases shall be effected at a price to be determined by the Board of Directors, always provided, however, that the price may not be lower than the market price on the date of the resolution, and without the existing holders of Class A and Class B shares having any pre-emption rights.

However, the authorisations in this article 9e are subject to a maximum nominal amount of DKK 12,176,980 Class B shares.

Moreover, the new Class B shares shall be subject to the same rules as the existing Class B shares of the Company. The shares shall be issued in the name of the holder, recorded in the name of the holder in the Company's Register of Shareholders and shall be negotiable instruments. The shares shall be subject to the same rules on pre-emption rights, voting rights and redeemability as the existing Class B shares. The new Class B shares shall confer on the shareholder a right to receive dividends and other rights and privileges in the Company as from the date of registration with the

Danish Business Authority.”

Re item 9.4 - Removal of the age limit for members of the Board of Directors (the articles of association’s article 17, 2nd paragraph)

The Board of Directors proposes that the age limit for members of the Board of Directors be amended as the Board of Directors, with reference to the Committee on Corporate Governance’s draft of revised recommendations on corporate governance (published on 7 July 2017), finds that age in itself cannot constitute qualification or disqualification of a board member. Consequently, it is proposed to amend the company’s articles of association’s article 17, 2th paragraph, to the effect that the following wording is deleted: *“The age limit is 65 years for newly elected members and 70 years for re-elected members.”*

Re item 9.5 - Amendment of requirements for attending general meetings (the articles of association’s article 11, 2nd and 3rd paragraph)

The Board of Directors proposes that the shareholders must notify their attendance at the general meeting in accordance with the Danish Companies Act’s provisions to the effect that the shareholders no longer must take out admission cards in order to attend. The proposal entails the following amendments of the articles of association:

The articles of association’s article 11, 3rd paragraph is amended as follows:

“In order to attend the general meeting, it is a condition that the shareholder or the proxy, as the case may be, has notified the attendance for him or herself as well as any accompanying advisor within three calendar days of the general meeting at the latest.”

The articles of association’s article 11, 4th paragraph is amended as follows:

“Voting rights can be exercised by a written instrument of proxy issued to a person who must not necessarily be a shareholder in the Company, provided that the relevant proxy documents his or her right to attend the general meeting by notified attendance and by presenting a written and dated instrument of proxy in accordance with applicable laws from time to time. Instruments of proxy to persons other than members of the Board of Directors are considered valid until revoked by written notification to the Company unless any such instrument of proxy contains any provision to the contrary.”

Re item 10 on the agenda – Authorisation to the Chairman

The Board of Directors proposes that the chairman of the meeting, with full right of substitution, be authorised to apply for registration of the resolutions passed and to make any such amendments thereto as the Danish Business Authority or other authorities may require or request as a condition for registration or approval, as well as to continuously make and apply for registration of linguistic and other non-substantive adjustments to the company’s Articles of Association, including to delete the articles of association’s article 9a and 9b and the associated appendix 1 and 2 as these provisions are no longer effective.
